

JABRA LINK 370 BLUETOOTH ADAPTER

Engineered to enhance Bluetooth® connectivity from your Jabra device to your computer

Jabra Link 370 is a discreet, Plug and Play USB Bluetooth® adapter that connects your Jabra Bluetooth® device with your computer to ensure quality of sound and extended wireless range for UC calls. The adapter allows you to easily manage your laptop calls and gives you wireless mobility up to 100ft/30m. With HD Voice you can enjoy high-definition sound from your softphone, and enjoy life-like UC conversations.

Superior range for optimal mobility

Bluetooth® Class 1 secures a best-in-class range of up to 100ft/30m giving you the freedom and confidence to move away from your laptop when on a call.

Crystal-clear sound for life-like calls

Jabra Link 370 incorporates sound quality features to provide you with a rich sound when you are away from your desk. HD Voice gives your crystal-clear, intelligible conversations, and HiFi Audio Streaming with A2DP allows you to stream music in amazing HiFi quality.

More reasons to choose Jabra Link 370

- Sound quality features such as HD voice, HiFi Audio and A2DP for crystal-clear sound for calls.
- Superior wireless range up to 100ft/30m for optimal mobility.
- Easy to manage and update with Jabra direct – over the air software updates can easily be pushed to all users.
