

NETGEAR® 130W External Power Supply Unit (EPS130W) Product Setup Sheet (PSS)

Category

External Power Supply Units

Product Name

NETGEAR® 130W External Power Supply Unit (EPS130W)

Ecom Product Nomenclature

NETGEAR® 130W External Power Supply Unit (EPS130W)

Model Numbers

- EPS130W-100AUS (Australia)
- EPS130W-100JPS (Japan)
- EPS130W-100NAS (North America)
- EPS130W-100PES (Europe and Asia Pacific)
- EPS130W-100UKS (UK)

Package Contents

- Power adapter
- Power cord (varies by region)
- Installation guide

Product Descriptions

15 words

Increase or decrease your PoE budget anytime by simply upgrading your switch power supply.

25 words

Future-proof your PoE budget. Increase or decrease your PoE budget anytime by simply upgrading your switch power supply, without having to purchase a new switch.

50 words

Future-proof your PoE budget. Increase or decrease your PoE budget anytime by simply upgrading your switch power supply, without having to purchase a new switch. Select NETGEAR Gigabit Ethernet Unmanaged Switches include a built-in PoE power selector lever, which lets you connect a compatible power adapter to increase or decrease the PoE power available on the switch.

Approved Category/Space Definitions

When referring to the "space" or category, the following is approved for all expected types of usage:

- Power supply units
- Unmanaged switches
- PoE switches
- External power supply
